- Fits nicely into the existing T5 fixture without any rewiring
- Lighting is brighter

### Product Compliance & Certifications:

- UL Type A certified
- DLC 4.2 qualified

## Description

Aleddra's EasiFit® T5 LED tube lamp is a UL Type A internal driver tube that is compatible with F54 T5HO ballasts. With a price almost comparable to a T5 tube, our EasiFit® tube lasts longer and has great energy savings. The end user can achieve savings on the retrofit investment.

The EasiFit® T5 LED tube features a full nano plastic body housing, giving it the exact look and feel of the fluorescent T5 and has a very wide lighting angle. The light is brighter and it fits nicely into the existing T5 fixture without any rewiring.
