

## Specifications

<b>Driver</b>	Meanwell driver
<b>Efficacy</b>	≥ 90 LM/W
<b>Color</b>	5000K, 5700K
<b>CRI</b>	> 70
<b>Input Voltage</b>	110V-277V
<b>Power Factor</b>	>0.90
<b>Operating Temp.</b>	-40°F-122°F
<b>Dimming</b>	0-10V dimming optional
<b>Rated Life</b>	up to 50,000 hours
<b>Warranty</b>	5-year warranty

## Ordering Information

Product #	Wattage	Lumen
AL-CNP-100W-D-57K	100W	11000
AL-CNP-130W-D-57K	130W	13000

Dimension: Type D: 16"W x 16"L x 2.8"H

- \* Both models are for surface mount
- \* 100W model in stock, other models made to order
- \* 5700K in stock, other color temperature made to order
- \* Black color made to order for Type D Canopy

## Features

- Energy-efficient & cost-effective replacement for existing traditional lowbay canopy luminaire
- Built with top of the line LEDs and the reputable Meanwell driver
- Canopy light uses aluminum die-casting heat sink and exterior
- Sleek and aesthetic appearance
- IP65 wet location
- Ideal for gas station canopy lighting applications

### Product Compliance & Certifications:

- UL
- DLC

## Description

Aleddra's LED Canopy Luminaire is an energy-efficient and cost-effective replacement for an existing traditional canopy luminaire. It's built with top of the line LEDs and the reputable Meanwell driver, which means fewer maintenance costs. Its IP65 rating makes it ideal for wet locations. The canopy light uses aluminum die-casting heat sink and exterior, which provides efficient heat management and a sleek, aesthetic appearance.

The LED Canopy Luminaire is ETL certified and meets DLC requirements. The application is ideal for gas station canopy lighting applications.
